AFFILIATION WITH SEA TURTLE RESEARCH, CONSERVATION AND EDUCATION:

Since 1987 I have worked cooperatively with NOAA/NMFS as the Director of the Hawaii Preparatory Academy Sea Turtle Research Program. I have conducted/been part of over 365 field expeditions to capture, tag, measure and assess green, hawksbill, loggerhead and olive ridley turtles in the Pacific ocean. The majority of my work has taken place on Hawaii Island but I have worked extensively on Oahu, Maui, Molokai, Lanai and the Northwestern Hawaiian Islands. In addition to Hawaii, I have conducted sea turtle research projects in Japan, Australia, American Samoa, New Caledonia, Palmyra Atoll, Republic of Vanuatu, Fiji and Midway Atoll.
